**Have you got any feedback for staff about your child's Christmas activity?**

It was lovely to be able to interact and be involved with my child in his class activities being able to take part was great

Absolutely loved it. The planned activities were great despite Alfie not being interested in them. He was too emotional with me being present. I thoroughly enjoyed being in his classroom and seeing him with his peers and his work book. Precious! Thank you!

We absolutely loved coming into the school to watch it, all children and staff did amazing. Was lovely that it was separate classes so not too busy. Was nice to have the time after to speak to parents/children/staff and do some crafts. Thank you!

It was so lovely to be able to come and spend some time with J inside his classroom. I really enjoyed the activities we did and it was lovely to see how J interacts in class

It was lovely to be part of Badger class Christmas activities. I've not seen G that confident before. She smiled from start to finish and she was so proud of herself. As a parent, to see that in your child is just simply wonderful. Thank you for giving G and us the opportunity.

Both me and J really enjoyed it. It was lovely to see J in his class room environment.

A lovely Christmas afternoon. As a parent, it was a pleasure to see what our children have been working on and seeing them all together as a class. Looking forward to more in the future!

It was absolutely delightful! A magical Christmassy visit to Ladybird class and such a lovely glimpse of B with her peers and amazing staff!

Unfortunately, I had no idea that this was an activity that parents could attend and didn't even know it was on. I don't recall getting any letters or messages about this. I'm really really disappointed that I missed this and feel bad that S didn't have a parent attend. S's reindeer and wreath were beautiful.

Both myself and C's dad really enjoyed the session and it was great to see C so settled in the classroom, the team at school made us feel extremely welcome and it was a great vibe. C definitely enjoyed the cakes!

Just really sorry we missed it 😞

I had a lovely time visiting the rabbits class and listening to their lovely poems you could see how much work they had put into it and it was lovely to see the class encourage each other when nerves set in! We even had some great theatricals thrown in and a lovely rendition of the grinch with all the actions!! Well done rabbits you did yourselves proud!!

M grandma went and enjoyed herself

It was a lovely way to share in an activity with L, his class friends and his Teachers.

It was so nice to see him so excited and comfortable in his own environment and to witness the interaction and close bond he had with his Teachers.

The care, attention and knowledge of L was evident and to witness L's interactions and relationships with the Teachers and class was wonderful.

It was an amazing afternoon, thank you for all the effort that was made and thank you for the lovely mince pies.....

We really enjoyed the activity with S look forward to more

Staff did an amazing job of setting up the activities. Staff supported parents with the activities. Activities were well organised and thought through. A was too overwhelmed this year but looking forward to attending another Christmas activity next year if offered.

It was lovely to be able to see J in his classroom and join in the Christmas activities with him. I really enjoyed it, thank you.

Amazing staff as always, great opportunity to see my child in class environment and spend time with nice atmosphere a

Great to have some craft fun with B in his school setting which was nice, calm and relaxing in this bedlam month. Thank you

Great performance, what a giggle!

Was great having some craft time with S too.

Thank you for all your hard work for the production 😊

It was brilliant, a lovely afternoon spent with the children

Was a lovely afternoon , L loved me coming in and doing activities with her

It's was a lovely activity. All the children enjoyed it. Nice to be in the class with all Joel's classmates and teachers. They where all given good clear instructions and pictures to follow and everything was measured out for them individually which was good. Very Christmassy activity . J even wants to do it again at home now. He was proud of himself making them. The class was lovely and friendly. Joel enjoyed me being in his class . They all then sang a Christmas song with the signs , which was fab. A nice afternoon had by all .

I really enjoyed the session. L loved having her parents in class and telling us about everyone. The play the class performed was great. It was nice performing as a class, rather than the whole school so I could actually see her. (There were several years in mainstream where she'd been out of view due to so many children performing in the school hall) The Christmas activities were also good. Thank you Deer Class

Thanks for a lovely opportunity to come into school and enjoy some time with the children. We really enjoyed it and P was over the moon.

Thanks for the arrangement 👍

Really appreciated the opportunity to come in and spend time with J in his classroom. Many thanks!

L absolutely loved showing me around her classroom and introducing me to all of her classmates - it was really lovely to have the opportunity to see this. The activities were just enough to give us a purpose, without being too much. It was also great to meet the other parents, which we don't often get to do since L gets the bus most days. Thanks so much for this - I look forward to it again next year!

Staff were amazing with the children, all children seemed so happy.

Was a great session where staff showed us ways to engage with our children

It was lovely seeing L in class interacting with his friends and teachers. I loved coming in and making some crafts with him and Lew was so happy. He even ate a marshmallow for the first time ever! For me it's precious seeing his relationships with his friends and teachers because he is unable to tell me about them but it's clear to see he has great banter with them all and he enjoys their company in class. Thank you all 😊

Brilliant to see my son in the classroom, amazing experience. I can't thank you enough

A fantastic afternoon making Christmas crafts.

We really enjoyed the Christmas activities, it was lovely to meet other children and parents.

A really fun afternoon and a lovely chance to see O in the classroom interacting with his teachers and classmates. Thank you very much for having us.

Lovely time in E's class today was nice to see him in his school setting . Great christmas activities set out for the children and adults to do .

It was brilliant and it was nice to be able to interact with P. As lovely as the whole school performances are i always worried due to her visual impairment she wouldn't know I was there so this year to go and sit with her it was lovely! The whole class were fab!

I enjoyed coming to see P at school and P enjoyed me being there. It was nice to take part in the crafts, see her classroom and her friends.

We really enjoyed doing the Christmas Crafts with O and meeting his class friends.

It was absolutely wonderful! Thank you for allowing me to visit E in school. It was so lovely to see E really happy in class with her new friends and teachers. The activities were brilliant especially the log reindeer which we both enjoyed. Thank you Bluebell class x

Absolutely loved it. The craft activities were well thought out and it was so nice sitting with the children and other parents enjoying our time together. Hope this is undertaken again next year and maybe at other times of the year too like Easter?

Really nice afternoon, seeing his classmates and activities were great

J enjoyed the activity- his holly wreath is hung up on our Christmas tree!

It was lovely to see L in her class with all her friends and to see how she engages in the class with her peers and teachers , I also loved coming in to do the activities and watching and helping L do the activities I really enjoyed it 👍

It was a wonderful afternoon and so lovely to be invited. I was given such a warm welcome from the staff and especially the children. The children are a credit to the staff, such lovely manners and behaviour. Thank you.
